# MAIMED DUCKS HERE

Many Congressmen Limp as Result of Vote on Nov. 6.

### SOME ARE DEEPLY CHAGRINED

James W. Wadsworth, from New York, Went Down Under Bovine Issue-Missouri Delegation Badly Injured-Some of Those Now on Hand Will Remain Three Months.

The lame ducks maimed in the recent Congressional shooting match are limping into Washington to get what solace may be derived from three months more

counted as the choicest birds of Uncle gress. The Hon. Samuel M. Robertson, Joe's prize covey. The people's ballots after serving twenty years from Louisiwinged some beautifully feathered birds and, was defeated at the primaries by a in their political flight, and brought them down to the level of mundane creatures, and legentlying to jail but hopes to get whose means of locomotion is not by out in time to attend the opening of the

It is a grievous disappointment to soar proudly for eight, ten, or, as in some instances, sixteen or eighteen years in the forced to give place to some duckling present membership of the House.

unkindly there probably is no more dis- ing a Democrat. appointed man than J. W. Wadsworth, twenty years in the Lower House.

Like Mrs. O'Leary's cow, which upset the city of Chicago, it was a sister bovine defeat at the hands of a coal miner. which upset Wadsworth's political equilibrium and destroyed his career as a

public man. Agriculture proved himself a ready letter-writer, there was no man whose prospects was badly snowed under.

Brick's Escape for a return to Congress were brighter. His opponent, Peter Porter, used the cow as his emblem and rode to victory with the assistance of Democratic endorsement

deep is the Mois James 4. McCleary, member of the Committee on Ways and Meas and the stand-patters of the stand-patters of the stand-patters, whose downfall was brought about through no other reason than that he advocated no change in the sacred Dingley tailff schedules, and an ungrateful constituency decided that that was not what it wanted, and accordingly voted to send a low-tariff man to represent the district in the House. Mr. McCleary's majority two years ago was more than his Democratic rival, Stanley years ago was more than his Democratic rival, Stanley surprised at the result of the recent constraints.

retain his seat in the House for sixteen years, was caught between the upper and nether millstones of the Cummins of campaign contributions to Cengressional and national committees, and expectation of campaign contributions to Cengressional and national committees, and expectation of campaign contributions to Cengressional and national committees, and expectation of campaign contributions to Cengressional and national committees, and expectation of campaign contributions to Cengressional and national committees, and expectation of campaign contributions to Cengressional and national committees, and expectation of campaign contributions to Cengressional and national committees, and expectation of campaign contributions to Cengressional and national committees, and expectation of campaign contributions to Cengressional and national committees, and expectation of campaign contributions to Cengressional and national committees, and expectation of campaign contributions to Cengressional and national committees, and expectation of campaign contributions to Cengression of the Cummins of campaign contributions of campaign contribu

WHERE WOMAN EXCELS.

Matter for Wonderment. From the New York Herald.

"If there's one thing," said the obserwith her during the trial. The town is also filling up with cowboys, who are "There's just the fur neckplece for Aunt Aunt Molly was in any special need of Strenuous efforts have been made to have the case dismissed. The defendant's father, a wealthy man of twenty years' my Christmas presents now,' she replied

fered any amount of money to fix the matter up.

"And as for making things! Bless your heart the women are always making things for each other. They have the law women friends that she remembers

least, that's what they all say in their notes of thanks. "It's a genius, that's what it is, this faculty of gift-making. The women have it and we haven't; that's all. The few days before Christmas are like a nightmare to me, and I'd be lost entirely at to help me out. There's one thing, though, in which she can't be of any asmy efforts to get this desideratum aren't A New York grand jury and one in helped by the positive knewledge that she

Reform and Round Tables.

From the London Spectator. China undertook, by article 12 of the Gettinger was three-quarters of an protocol, to reform her foreign office. All ch too short. In his papers he declared that has been done is to change the name that he was of the requisite five feet five. Tsung-li Yamen to Wai-wu-pu, and to When the physicians conducted his physical examination, one of them discovered which was formerly round, and is now that Geftinger had placed under his heels rectangular. We confess, however, that cork pads three-quarters of an inch thick. A Chinaman might meet our criticism he pads were sent to the Civil Service here by quoting Bacon, who discusses Commission, and, with a statement of the with great gravity the effect on business case, were referred to the Department of long tables and square tables respectat the upper end in effect sway all the

The Literature of Youth.

From Puck. O'Connell was totally blind in his right drawings I ever saw!" exclaimed the edi-

> praise, blushed.
> "Sir," the editor continued, with rising enthusiasm, "I am convinced that these drawings, properly reproduced in three or four hundred colors, would make the best-selling juvenile out of any book you

If the artist, after that, smote the stars

could mention!
